A panel of actors, directors, dramaturgs, and educators will discuss their experiences conveying Shakespearean material to students and audiences who have varying degrees of knowledge of the Bard; how to expand our methodologies as scholars, teachers, and artists to promote inclusivity; and how media and technology in various forms (film, social media, Zoom) could be utilized to help with these goals. The conversation will begin with introductions and questions for the panelists, and then the session will open up to the rest of the group for further queries and discussion.

Panel participants include:

SHALEAH ADKISSON

SCOTT BAILEY

DR. MIRANDA JOHNSON-HADDAD

SARAH LIVINGSTON

AUBREY SAVERINO

JOHN SERGE
