Join us for a conversation between co-authors Andrew Davis and Jeff Biggers and Jennifer Holt (Film and Media Studies) about Davis and Biggers's novel, *Disturbing the Bones*. In their debut collaboration, Davis and Biggers bring cinematic storytelling and journalistic style to the literary medium. *A reception will follow.*

Andrew Davis is the acclaimed director and screenwriter of numerous films, including *Holes*, and whose landmark film *The Fugitive* was nominated for seven Academy awards.

Jeff Biggers is an American Book Award-winning historian, journalist, playwright, and monologist.

Jennifer Holt is Professor of Film and Media Studies at UC Santa Barbara.
