

# GLOBAL CHILDHOOD MEDIA

# OPEN HOUSE

Join our Research Group!  
Open to Undergraduates!

Are you interested in:

- children's media, literature and culture
- historical childhoods
- children's rights
- education
- child psychology
- sociology of childhood
- or anything else child-related?

The Global Childhood Media research focus group welcomes students from any department with an interest in Childhood Studies to attend our open house!

Join us for more information on **research opportunities**, **mentorship**, participation in an annual **Undergraduate Research Showcase**, talks and reading groups, and a likeminded community on campus!

There will be free pizza and drinks
